

Make an Impact as a Sponsor

Sponsoring Susan G. Komen® Louisiana holds the opportunity to make an impact like never before.

In 2016 Susan G. Komen® set a Bold Goal to reduce the current number of breast cancer deaths by 50% in the U.S. by 2026. This goal holds special significance for Louisiana. Louisiana ranks third among states in lives lost to breast cancer. This is unacceptable. It is estimated that 42,000 women and men in the U.S. will lose their battle to breast cancer in 2020.

Susan G. Komen® Louisiana affiliates have united as Susan G. Komen® Louisiana. In an effort to achieve Komen's Bold Goal for our state, we have joined forces to be more efficient and effective with our efforts. As Komen Louisiana, we serve 56 of our state's 64 parishes.

As a 2020 BigWigs' sponsor, you will be at the forefront of our increased efforts to save lives from breast cancer in our state! Your investment in our mission will also offer you the opportunity to carry your marketing message not only to the Greater Baton Rouge area but also across our affiliate service area.

Expanding Our Mission

- Increasing outreach efforts in communities
- Maintaining signature events and activities
- Engaging new community partners
- Continuing and strengthening existing relationships to help us reach our Bold Goal and save lives in Louisiana!
- 75% of funds raised remain in the affiliate service area to support local efforts to save lives
- 25% of funds raised are dedicated to scientific research to prevent and cure breast cancers
